Week 13
(8/27-8/31)

Superheroes! Who's your favorite? We'll talk about our famous super hero friends and what we like best about them. Did you know you don't have to fly or be invisible to be a super hero? What's your special gift? Are you a super friend? Do you pick up litter? How about recycling? We can all do things to help each other and the planet! This week our little superheroes will earn badges of honor for completing all our super themed activities.
